BEFORE THE EVENT

1. How do I qualify for the 2009 Barrelnanza Finals?

ONLY WBRP MEMBERS will be allowed to compete in the Finals. If you are not a current 2009 member, you MUST join WBRP and enter a minimum of one of our remaining races in order to compete at the Finals. Competing in one race as a member will allow you to enter up to two horses at the Finals. Competing as a member in two races will allow you to enter a maximum of five horses. Membership is \$60/year for the first member and \$30 for each additional family member. If you attended a 2009 World Barrel Racing but forgot to purchase your membership at that event in order to count it you can pay an additional \$60 fee in order for that race to count. Also keep in mind if you purchase a Platinum Membership, one of the benefits is that you do not have to attend a 2009 event in order to qualify.

2. How do I enter the Oxygen Race for the Cash IV?

The first to enter will receive their choice of sections in which to run. Meeting the "Post Mark Deadline" does not guarantee you a position in a section, so enter early. Late entries will receive their choice of sections ONLY if space is available in the requested section. All late entries faxed or submitted online between April 21st – May 13th 2009 will be assessed a \$20 late fee and must be paid for in advance by credit card. Entries that are entered On-Site will be charged \$30 late fee and must be done 2 hours prior to the section starting. Late entries will only be accepted by fax to 432-224-1222. The late entry deadline by fax is Wednesday, May 13th at 4pm. Do not mail entries in after the "Post Mark Deadline." Please no changes to your entry after you send them in. If so there will be an additional change fee.

There are four ways to enter:

- a. Online at www.worldbarrelracing.com. Our easy-to-complete online entry will be available until Monday, May 4th, 2009 without a late fee. There is a \$25 processing fee when entering online.
- b. By fax to 432-224-1222. Contestants pay a one-time processing fee of \$30 to enter by fax and may do so without penalty through 4:00 pm, Thursday, April 24th, 2009. Contestants wishing to late enter may do so until 4 pm, Wednesday, May 13th, 2009. All late entries will be assessed a \$20 late fee in addition to the processing fee.
- c. By mail to: WBRP, P.O. Box 1330, Athens, TX 75751. Contestants pay a one-time processing fee of \$30 to enter by mail. All entries must be postmarked by Friday, April 24th.
- d. On-Site entry: All onsite entries must be completed two hours prior to the section in which you wish to enter. All on-site entries must pay a \$30 late fee and the processing fee. They are also based on availability of that section.

3. If I wish to buy a membership, enter a race, and then are unable to attend that race, will I still be able to compete at the 2009 Barrelnanza Finals?

Extenuating circumstances (such as the high cost of fuel) may make the decision to attend a regular season event difficult for some contestants, thus keeping them from being able to qualify for the Finals. Last year, several individuals realized that they could qualify for the Finals if they entered an event and were turned out. Although we would prefer that you experience a WBRP event in person prior to the Finals, we have no control over this. Our staff must assume that individuals who are turned out were actually present, but missed their run.

This does not apply to individuals who choose to draw out of an event. Please understand that if you draw out and are refunded any portion of your entry fees, you will not be counted as having attended the event.

4. Late Entries (L.E.)

All Late Entries received after May 4th, 2009 at 4 pm will be placed at the bottom of the draw. The Late Entry draw will not be posted until 1 hour prior to the beginning of each section. The Late Entry draw will be a random computer draw.

5. What are the procedures for drawing out of the barrel race?

A draw out refund for entry fees, stall fees, and RV fees, less a 25% service charge, will be granted to qualifying contestants for any reason. Sorry no refunds for processing fees. The "Draw out Form" must be completed and returned to the show secretary by 4:00pm, Monday, May 4th. Keep in mind that vet releases, doctor, releases, or any other form of paperwork is NOT required to draw out. People have taken advantage of vet releases in the past, thus making the cause of the draw-out deadline. Therefore, after the deadline has passed, no refunds will be given for any reason. DON'T ASK! A Draw-Out Form can be found on our webpage or one can be faxed to you. **NOTE:** Your draw out is not official until you receive a fax confirmation page from us, so please list a return fax number.

6. Are horse substitutions allowed?

Yes you can substitute a horse in this barrel race, however if the horse is already entered you can not place him in to another draw position. Any horse substitution must be made with the show secretary, in writing, at least 2 hours before your section begins or if running on Sunday, May 17th, by 11:00am. The horse substitution must be made before you run. Each contestant will receive one free horse change per year after that time you must pay \$10. All horse changes must be submitted on a change form.

7. Are rider substitutions allowed?

If you enter and wish to change riders under emergency circumstances you may do so until Monday, May 4th, with a \$10 fee. After this date you are allowed to change riders for (\$25) until 24 hours prior to the beginning of the first section. Keep in mind once the original rider has been changed they may not participate on any other horse during the event.

8. Can I change Sections?

If you enter and wish to change sections, you may do so up until Monday, May 4th, with a \$10 fee. After this date you are allowed one section change per year (\$25) under emergency circumstances until 24 hours prior to the beginning of the first section.

9. Can I sell my run?

No, you cannot sell a run. If you are unable to participate in the Oxygen Race for the Cash IV, your only option is to draw out completely on or before Monday, May 4th. No one can purchase your run. New entries will be accepted if availability exists.

10. What are the "Incentive Races?"

World Barrel Racing Productions has 10 incentive races. You only make one run and that run/time counts for the "Main Barrel Race" as well as any "Incentives" that you have entered. When applicable entry fees into the incentives are \$20. If you enter any incentive after the Post Mark Deadline the entry fees for the Incentives are \$25 each unless you are paying a late fee. Please note: Entry into all Incentives are purely optional.

Do I have to enter the "Incentive Races" when I send in my entry form, or can I enter at the event?

It is best to enter the Incentive Races when you send in your entry form; however you can enter onsite at the Oxygen Race for the Cash IV at least 2 hours before you run, or if running on Sunday by 10:00am. There will be a \$5.00 late fee for each incentive.

You will need to check in with the gateman 5 runners prior to your run?

13. How will the stalls & RVs be handled?

As with all WBRP events, you may check into your reserved stalls and/or RV spaces after 2:00 p.m. on the date reserved. You MUST check out of the stalls and/or RV spaces by noon the following day. If your Slide out or Awning take up two spaces you will be charged for two spaces or if none are available you will be asked to put them up.

No outside shavings are allowed. No portable panels or tying horses to the trailers overnight, if stalls are available.

If you are traveling to the event in a group and would like for the horses in your group to be stalled near each other, we ask that ONE of the contestants in your group reserve ALL needed stalls. This will make the check-in/check-out process go a bit more smoothly for all concerned. (No buddy forms will be accepted at this event so be sure one person reserves all the stalls in the group.)

Additionally, the facility offers 15 RV hookups at \$25 per night.

14. Will there be Exhibitions at the this event?

16. Opening Ceremonies

You’ll want to make sure to attend the opening ceremonies, held 15 minutes prior to the beginning of each section. In addition to music, dancing, and pyrotechnics, there will be a number of games played that involve the audience.

Frisbees will be thrown out with prizes such as saddle pads, bronc halters, stirrups, and t-shirts. One Frisbee will be identified as the Oxy-Gen Money Throw Frisbee. After the first big drag, the person with this special Frisbee will have a chance to throw their Frisbee into an Oxy-Gen bucket located on the first barrel. If they are successful during the Rockies Race for the Cash, they will receive \$3,000 cash!

17. Games

Be sure to bring the entire family to the Oxtgen Race for the Cash IV! During the big drags, we'll involve our audience with a variety of fun-filled games. The Egg-Toss, Ladies 40 & Over Dance contest, and Dizzy Stick Horse are just a few of the games that will be held during the Finals. All games are open to the public and free to enter.

18. Contests

Frisbees will be thrown out with prizes such as saddle pads, bronc halters, stirrups, and t-shirts. One Frisbee will be identified as the Oxy-Gen Money Throw Frisbee. After the first big drag, the person with this special Frisbee will have a chance to throw their Frisbee into an Oxy-Gen bucket located on the first barrel. If they are successful during the Rockies Race for the Cash, they will receive \$3,000 cash!

19. Dress Code

All contestants must wear a long-sleeved shirt, long pants, Western Hat (minimum 2 1/2" brim), and cowboy boots or equestrian sport shoes. Caps are not permitted. Hats must stay on until contestant breaks the plane of the arena. **NOTE:** If the hat falls off and lands in the alleyway or arena, a \$10 dress code fine will be assessed. Helmets are not required but all contestants are encouraged to wear one. Anyone not wearing the proper attire in the arena will be assessed a \$10 fine. The fine money will be going to the American Cancer Society for Breast Cancer Research.

20. Will there be Photos and a Video of my run?

To ensure that no horse is ridden by more than one person (with the exception of contestants who meet conditions detailed in the Family Rules), WBRP photographs and videotapes each contestants' individual run. These photos/videos are the property of WBRP and decisions made by WBRP management as a result are final.

21. Why are fines and late fees assessed?

There are fines and late charges at all barrel races because a few people will not follow the rules. The fines or late charges are used to persuade them. The management of WBRP does not like the fines or late charge but has found out that they must have them. One half of all fines and late charges will be donated to the American Cancer Society for Breast Cancer Research.

22. How can the condition of the ground be consistent with so many racers competing over such a long time period?

An important element of any barrel race is the condition of the dirt in the arena. World Barrel Racing Productions recognizes this concern and has retained D & G Dirt Crew to handle this important detail at the Oxygen Race for the cash. Every 5 racers, three tractors quickly drag the arena floor. A "big" drag occurs after every 50 riders. Also, after each section we will re-prepare the ground. All this is done to ensure that the playing field truly is "even." The D & G Dirt Crew is considered to be the best in the world.

AFTER THE DUST SETTLES . . .

23. How will the car be awarded?

After the conclusion of the event on Sunday afternoon, we will ask the winners of the first five places in each "D" to come to the arena floor, at which time they will each receive a key. The person whose key opens the lock on the lock box will win the car.

If you are not present, a member of the WBRP staff will draw a key on your behalf AFTER every contestant who is present has an opportunity to draw his/her key.

You do not have to be present to win the car. However, you must be present to receive the car due to contract purposes. Please note that if you win the trophy car and cannot be present to receive it on Sunday afternoon, you must claim the car by contacting our headquarter offices in Athens, TX anytime after 10:00 am on Wednesday, May 20th, 2009.

PLEASE NOTE:

You will have 30 days to pay the tax, title, and license or the car will be repossessed due to liability reasons.

You may not sell, repaint, or remove any decals from the Trophy car for a period of one year. If you sell, repaint, or remove any decals from the Trophy car within this time you agree to pay World Barrel Racing Productions a sum of \$10,000. **This is required because WBRP has made commitments to our sponsors stating that they will be advertised in this manner for the allotted amount of time.**

29. Postponement of Event

Due to Hurricane Katrina and September 11, World Barrel Racing Productions reserves the right to postpone any barrel race due to a natural or manmade disaster, or if the price of diesel rises above \$5.00 a gallon. We do not like to put these conditions on any event, but feel it is not fair if only a small percentage of barrel racers can attend. Any monies collected will be refunded. If any event is postponed, we will reschedule it for a future date. No postponement, or cancellation, will be made due to a lack of entries.
